If you don't write something in these boxes, it won't let you submit the survey.

I expect they are hoping people to agree to these, so that they can say people want the carpark gone for environmental reasons,

I expect they are hoping people to agree to this, so that they can lobby for a wharf development more aligned with recreational activities, rather than ferry/service operations

I expect they are hoping people to agree to this, so that they can lobby for removal of long term parking as well as removal of rubbish facilities

This a loaded question, as it can be used to say all people want all development removed, should they not get the answers they want to the earlier questions.
